

# Software Release Notes

## dS Smart Home mobile app V1.15

digitalSTROM AG uses Software Release Notes (SRN) to provide information about software changes and updates of existing products.

Document number	SRN-1.15
Date / Version	28.11.2022 / v1.0

## Changes and Improvements

### iOS

- Fixed: incorrect display of awning icons for GR-KL300, which did not correspond to the actual state of the awnings (up, down).
- Fixed: App crash when connecting to multiple apartments due to incorrect loading of apartment structure. Multiple apartments are now supported.

### Android

- New: dS Smart Home now supports Android 13 as well.
- Fixed: incorrect display of awning icons on GR-KL300, which did not correspond to the actual state of the awnings (up, down).
- Fixed: App crash when connecting to multiple apartments due to incorrect loading of apartment structure. Multiple apartments are now supported.

## Other

The current state of our various cloud services can be seen online at <http://status.digitalstrom.com>. If you notice any complications with any of the cloud-based services, please inform yourself on this page.

## Software Update Recommendation

Updating to this software-version V1.15 is highly recommended to benefit from the latest improvements.

## Installation Instruction

The newest version of the **dS Smart Home App** is available online

- iOS: Apple App Store (**dS Smart Home**)
- Android: Google Play Store (**dS Smart Home**)

The currently installed app version can be found in the menu "*Settings / About*":
